

DATE: October 7, 1997
TO: Mr. Richard Lewis, Registrar UTMB
FROM: William Thornton, M.D., Clinical Professor *W. T.*
SUBJECT: Senior Cardiology Elective

Apropos our phone conversation it is not practical to give the above elective with less than four students and the elective will not be given this session October 13 through November 7, but will be offered November and December.

We are trying to reach all affected students by phone.

Thank you for your help.
