MEMORANDUM

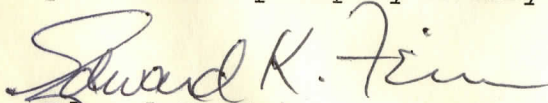

TO: CB/W. E. Thornton ✓
JN4/E. C. Hajdik
JN4/W. C. Huber

FROM: AM/Edward K. Fein

SUBJECT: Invention Disclosure MSC-12628, "Zero Gravity
One-g Walking Simulator"

Your subject invention disclosure has been docketed by this office with the above number for patent prosecution consideration. Please refer to this number in any communication relating to this invention. If there is a modification of the invention, or if a disclosure thereof is made to the public such as a press release or an unclassified document, it is important that you report this information to this office.

Please note that this invention may be disclosed and published at any time by the NASA Technology Utilization Program. If for any reason you feel that such publication and dissemination of the disclosure should not be made, you should promptly notify this office.

Edward K. Fein
Office of Patent Counsel
