Dear Jeff:

Enclosed is a copy of the letter we received from the University of California at San Diego, Department of Psychiatry in the School of Medicine at La Jolla. Also enclosed is a copy of Jack Hammond's reply in which we have indicated that Doctors Blackburn and Mandell should expect a call from you when you arrive in San Diego so that an appointment with them can be arranged.

With reference to specific opportunities for your visit to Japan, we are undertaking some correspondence with the Tokibo Company in Tokyo and will let you know the results once we have received an answer.

Best regards.

Very truly yours,

DEL MAR AVIONICS
