Muscular Atrophy

Weightlessness

Space Flight

Exercise

Muscle Contraction

September 18, 1974

William E. Thornton, M.D.
Lyndon B. Johnson Space Center
NASA
Houston, TX 77058

Dear Dr. Thornton:

The manuscript entitled "Muscular Deconditioning and Its Prevention in Space Flight" by John A. Rummel, Ph.D., and yourself, has been received in this office. It will be submitted to members of the Editorial Board of the ARCHIVES OF PHYSICAL MEDICINE AND REHABILITATION for their review and recommendations as to the article's suitability for publication in the journal.

The Editorial Board requests that you submit suggested "key words," using appropriate subject headings as listed in the National Library of Medicine publication, Medical Subject Headings (DHEW Publication No. 72-265). This publication is available at your local medical library.

Figures 10 and 11 will have to be provided in black and white only if the paper is accepted for publication.

We shall notify you as soon as possible of the Board's decision. In the meantime, thank you for giving the ARCHIVES an opportunity to consider your manuscript. We look forward to receiving the requested material in the near future.

(REPLY
OVER)

Sincerely,

G. Keith Stillwell
G. Keith Stillwell, M.D., Ph.D.
Chairman of the Editorial Board
