

UNITED STATES GOVERNMENT

Memorandum

TO : All Astronauts

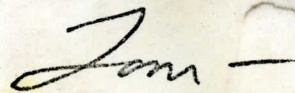

DATE: January 22, 1970

FROM : Chief, Astronaut Office

SUBJECT: Astronaut meetings for the week 26-30 January 1970

There will be a pilots' meeting at 0830, 26 January 1970.

There will be a meeting of all astronauts with Dr. George Low, Dr. Gilruth, Deke, and I on 30 January at 1630 to hear George Low's presentation on the outlook for the entire manned spaceflight program for the next five years. The meeting is of utmost interest to all the group and I expect everyone to attend except those in required simulations for the Apollo 13 mission. Notice will be given at a later time for the location of the meeting.
