DR. ING. F. FIORIO

Dear Sir,

The Faculties of four Italian Universities, namely, Milan, Bologne, Rome and Turin, have advised me that they have an unusual interest in the paper you gave on January 29 at IV Annual Meeting of the American Astronautical Society on the subject of: "Design of an Algal Culture Chamber Adaptable to a Space Ship Cabin".

Members of the Faculties have written me to obtain a copy of your paper, in either printed or manuscript form, whichever is available. I really need four copies but if only one is available I will arrange to duplicate an adequate number.

I would be most grateful if you would kindly send me a copy of your paper, which I will forward to the Faculties.

Thanking you warmly for your kind cooperation, I am

Sincerely yours,

LT. COL. DR. ING. FRANCO FIORIO
