Brigadier General Thomas H. Crouch, USAF, MC  
Commander  
Headquarters, Aerospace Medical Division  
Brooks Air Force Base, Texas 78235

Dear Tom:

Just a note to tell you how well all of the people at the Aerospace Medical Division treated Dr. Randy Chambers and me during our recent two-day visit there. Bill Thornton was exceptionally attentive as he gave us all of his time those two days. Investigators like Billy Welch went out of their way to brief us completely and thoroughly on their programs relative to the MOL Project.

It was nice seeing you. Hope that you get in contact with me should you come to Washington in order that I may return the compliment. At least we will see each other in Las Vegas.

Sincerely,

  
FRANK B. VORIS  
Captain, MC, USN
