Dear Doctor Gaume:

I am pleased to inform you that your abstract has been accepted by the Scientific Program Committee for presentation at the 30th Annual Meeting of the Aero Medical Association, Los Angeles. It is requested that your talk be limited to 15 minutes, due to the great number of papers scheduled.

This year we are planning three simultaneous sessions. You are programmed to speak:

Abstract: "A Device for Simulation of Reaction Control Problems in Orbital Maneuvers!"

Date & Time: 29 April 1959, 2:00 P.M.

Session: III

Session Chairman: Major Edwin R. Ballinger, USAF (MC)

Your manuscript becomes the property of the Aero Medical Association and will be submitted to the editor of the Journal of Aviation Medicine for possible publication. If you desire to submit your manuscript elsewhere for publication, a release should be obtained from the editor, Box 1607, Washington 13, D.C. Twenty-five copies of your manuscript (not tissue carbons), minus illustrations, are required for press use and should be forwarded not later than April 15, 1959 to the chairman of the Publicity Committee:
