Dear Dr. Gaume:

The February issue of Aerospace Medicine, page 235, indicates that you will be presenting a paper May 9, 1972 -- "Gravity-Related Simulation Techniques Adaptable to Physical Therapy and Rehabilitation."

I will not be attending the meeting, Dr. Gaume, but would be pleased to receive a copy of your paper if available. If unavailable perhaps you could direct me to additional research in this or directly related fields.

Your attention to this request will be greatly appreciated.

Sincerely,

Jack E. TerBeek
