11 MAY 1965

SUBJECT: Career Motivation Program

TO: AMGB (Capt William E. Thornton)

1. In an effort to promote esprit de corps and raise retention rate among junior officers, the Colonel-Junior Officer Program has been implemented within the Aerospace Medical Division. By assigning each junior officer to a highly motivated, well informed senior officer, the junior officer is given an opportunity to discuss any personal or professional problems with a confidant outside his immediate duty area.
2. Colonel John D. Fulton has been appointed as your personal advisor. His office symbol is SMBS, Telephone 22150. Request you telephone him within a week for an appointment.
3. The attached pamphlet "The Air Force Picture" was prepared with the intent to provide you with a personalized, finger-tip reference guide.
