October 5, 1962

MR. WILLIAM THORNTON  
Box 975  
University of North Carolina  
Chapel Hill, North Carolina

Dear Mr. Thornton:

We are very glad that you are going to participate in the Bio-Medical Electronics Panel Discussion during the Seventh Annual Symposium of our North Carolina Section, Institute of Radio Engineers, in Greensboro on October 13, 1962. As indicated in the enclosed program booklet, the discussion is scheduled for 4:00 p.m. on that date.

Slide projectors are available for 2"x2" or 3 1/2 x 4" slides, and we suggest you meet with one of our technical arrangements committee members, soon after your arrival, to make the necessary preparations for showing your slides.

We are looking forward to your visit with us for the Symposium.

Sincerely yours,

*W. E. Lanford*
