District Conference News

Have you marked your calendar for November 18-19? These are the dates that the Rotary Club of Austin and the Rotary Club of West Austin will be co-hosts to the District Conference. We certainly want a large representation from Austin Rotary to attend this conference. Governor McKie met with the Conference Committee last week, and plans are definitely going forward to provide an interesting program and special entertainment for the ladies.

Since the last District Conference in Austin (1952), the District has grown from 26 clubs to 31 clubs. Your attendance at the conference will give you the opportunity to

renew old acquaintances, as well as meet new Rotarians and their Rotary Anns.

The luncheon on Nov. 19 will be the only Rotary meeting in Austin that week. Both this club and West Austin club plan to cancel regular meetings—100 per centers—plan now!

Correction

Apologies to Joe Renfro for the mistake in last week's Reminder.

Attendance Report

Art Sprinkle, Dennis Macken, Shorty Nowotny and George Stautz drove to Houston last Thursday (Sept. 6) to see Bill McGill. They report that he looks fine and is able to sleep and rest. He seems to be in excellent spirits—just "like always."

President Jim spoke to the delegates of the Texas Chapter of the American Steel Warehouse Association at their fall meeting at the Driskill Hotel. The Association is composed of firms which stock and store steel products. The men attending were executives of these warehouses and executives of steel mills. His subject was "Public Relations," and we understand he did a wonderful job.

Rotarians in the News

Tom French, Reporter

I. W. Davis, better known as "Stormy" is Division Commercial Superintendent of Southwestern Bell Telephone Company. Mr. Davis is also Director of Plymouth Life Insurance Company and Commonwealth Acceptance Corporation. Stormy and Rotary Ann Bettye have just returned from a three weeks vacation at Los Angeles, Las Vegas, Nevada, and the Grand Canyon. While in Los Angeles Mr. Davis attended West Hollywood Rotary Club at "Bit-of-Sweden" and the West Los Angeles Club at the Ambassador Hotel. In Las Vegas he saw, in person, such stars as Gordon McRae, Peggy Lee, the Ames Brothers and Mickey Rooney.

What Stormy enjoys most now, and has been very successful at is, is dove hunting.

Gene Ebersole, Executive Vice President of the Lumbermen's Association of Texas is a very lucky man. He is going to San Francisco—the pearl
