Dear Bill:

I would like to express my appreciation to you for arranging this meeting last weekend. I think we are off to a good start. Enclosed is a copy of my airline ticket bill for \$505.00. My only additional expense was for Rochester taxis for a total of \$26.00. If possible, I would appreciate two checks for these individual amounts.

I look forward to working with you and Jack further on these problems.

Yours sincerely,

S. G. Sheps, M. D.
