

Kitty - we need copies of all presentations & reports of AGA's ..

5-6-76.

A. Med. School - 800 students. Adequate funding of U.T. schools
to buy new ones. Best use of \$.

Residents - # Residencies increase to meet student needs.
30K / resident. State funding. She #
1982 - 1200 residency positions.

Texas does have med. students

Paul Buchanan [on. 1200
dollar]

Does everyone need a 3 yr. residency? No?

→ # yrs. - can we cut this down - Leeman?

Thrust of U.T. system - G.P. - F.P. or specialists?

grads who go into F.P. 5 yrs. only 1 yr. long..?

Can we increase our residency to 200 - VA - NCHD etc.

Do what specialties? - Primary care areas emphasized.

Surgical subspecialties. Report from Surg. T2d (Jim Thompson)
Fair distribution of M.D.s or of med. care.

B. G.S.B.S. - 1) more creative work. special env. - basic sci. clinical & research.
2) Also train fellows. but in at 50.

Attention basic & clin people.

Can't attract good clin. 3 good basic scientists.

C. Allied Health: Med. Differ in each HSC.

JA. colleges - semi 42.

HSC small #s

Med. Technol. start to get in college. Highest quality in HSC.

→ Allied Health in gen. Academic Institutions!

D. S.A. Low allied health in the S.A.H.S.

D. Dentist

Student loan needs. Eligible Hazelwood. 1500 - 2000 needed!

G.P. Residencies -

Problem service needs or expectations + teaching needs!

Turn away non-teaching work.

→ State funds for education - must have service but can't take
on unmet health needs of entire community.

* → Job - compete & faculty - increase the salaries.

? Too many dentists - but if do prev. med.
Dental care is a luxury or a right?

Must take jobs.

Work on NIH Dental Res. Council.

Nursing: Revolution (St. Abbott) - Carolyn Talbert.

System concept. - Eval. of the system.

Sub of eval. - Sub of right data...

Questions - : Many questions. - more reasons - help each other!!

Dean - Academic reasons. 80 disciplines - team?

morning - Doing system evaluation - not done - no reasons

E. .

Research -

Policy statement re - :

1. Counseling pre - med. pre - dental etc students at Acad. Institutions. Inadequate ! ?
2. What to do & those who don't make med. school ?
Alternatives to med. & dental.
How can Pres. help in this effort.

Visit HSC's, Pres. brief & review. Invite them here in Dec.

Brune - Get copies of papers & provide Reports!!

WWII - How U.S. now 30 years later to exist.
Viet Nam.

So firmly practice our agric. extension (S.M.) . Image in State!

Solve internal problems. U.T. system - no turf-fights.

Feed statement re S.P.H. role for U.T.

Pres. appt. all committees. - change to reality.
