Subject: Your manuscript ASEM4105R1 is accepted!

Reply-To: Aerospace Medicine and Human Performance <amhpjournal@asma.org>

Dear Fred,

We are pleased to inform you that your manuscript, ASEM4105R1, "Visual Blur and Motion Sickness in an Optokinetic Drum," has been accepted for publication in Aerospace Medicine and Human Performance.

The electronic file will undergo final editing and preparation for printing at the office of the Aerospace Medical Association in Alexandria, Virginia.

Please note:

THE PUBLISHER REQUIRES CERTAIN ADDITIONAL INFORMATION LISTED BELOW. FAILURE TO SUBMIT IT IN A TIMELY MANNER MAY DELAY PUBLICATION OF YOUR PAPER.

Congratulations on your excellent work and thank you for selecting Aerospace Medicine and Human Performance.

Please feel free to contact our office if you have any questions or comments.

Cheers,

Sally

Sarah A. Nunneley, M.D., M.S.

Editor Emerita

ADDITIONAL REQUIREMENTS FOR PUBLICATION

IMPORTANT: ALL CORRESPONDENCE MUST STATE YOUR MANUSCRIPT NUMBER, ASEM4105R1.

The following information should be sent to Ms. Pam Day via e-mail (pday@asma.org):

- A. The current professional position of the first author.
- B. Full Name, two highest academic degrees, primary institutional affiliation, and current contact information, including current e-mail addresses FOR EACH AUTHOR.
- C. Name, city, state and country of the institution(s) to which the work is to be attributed.

Approximately 60 days before scheduled publication you will receive an e-mail from the printer giving you internet

access to your PDF galley proof. You will have only a few days to proof-read the file and provide corrections. Failure to do so in a timely manner may delay publication of your paper by a month or more. IT IS THEREFORE VERY IMPORTANT THAT THE PUBLISHER HAVE A CURRENT E-MAIL ADDRESS FOR YOU AT THAT TIME. Please inform them of any change of address and include the number of your manuscript.

NOTE: If the first author is not a subscriber to our journal and would like to receive a copy of the issue in which the article appears, please notify Ms. Day (pday@asma.org).
