Dear Mr. Hayes,

It was our pleasure to have James G. Gaume, M. D. talk on
Aero-Space Instrumentation and Programing at our Departmental
Seminar.

We wish to thank Dr. Gaume and the Martin Marietta Corporation
for giving us their very valuable time. Many of the audience
commented upon Dr. Gaume's very interesting talk and the work
that he and his staff are doing.

Thank you again for helping us obtain Dr. Gaume as our speaker.
I am enclosing the card as you requested. We will be looking
forward to hearing Dr. Gaume in the near future give us a follow-up
on some of the investigational studies that he is doing.

Sincerely,

(Mrs.) Vera E. Drose
Instructor, Department
Obstetrics and Gynecology
