

Joe, thanks for the e-mail. I pursued
their web site also and based a number
of my criticisms on it. As usual my
screed ~~was~~ probably covers too much
territory but we both hit the some
common major points.

I think it ~~would be~~ ~~at~~ ~~more~~ effective
coming from two of us. separate
communications would be more
effective. I plan to ^{add} ~~put~~ separate
cover letters ~~and to~~ ^{for} Davis & McGonigil?

Thanks
Bill
