Dear Bill:

Since I have been out of town I have just had the opportunity to read your letter, and I am enclosing a check covering your expense and travel mileage.

A decision will be made this morning as to your contacting patent attorneys in Washington since you will be in that area.

I have not yet had sufficient time to discuss with the staff the other matters mentioned in your letter; however, it is my thought that we will call you this morning, and by the time you get this letter you will have been brought up to date.

Sincerely,

CENTURY ELECTRONICS COMPANY
