TO: SD/W. Thornton, M.D.
FROM: SA/Chairman, Human Research Policy and Procedures Committee
SUBJECT: Expedited Approval for "Effects of Environment on Leg Volumes"

Expedited approval has been given by the chairman of the Human Research Policy and Procedures Committee (HRPPC) for the continuation of the study titled "Effects of Environment on Leg Volumes" to be conducted at the South Shore Harbor Fitness Center. Any changes or additions to the proposal should be brought to the attention of the Committee.

L. F. Dietlein, M.D.
