Dear Mr. Blouin:

Your letter of November 6th addressed to Dr. Guame has been referred to this department for further handling.

Unfortunately, previous commitments of the Lunar Housing Simulator preclude any further commitments at the present time. Currently we are negotiating with a number of organizations in an effort to have our Lunar Housing Simulator built full scale and operated by the Martin Company. Until these negotiations are finalized, we prefer not to make any further commitments.

If we can serve you at a later date we will be happy to do so. Many thanks for your in the Martin Company.

Sincerely yours,

THE MARTIN COMPANY
