Dr. J. G. Gaume
McDonnell Douglas Corporation
3855 Lakewood Blvd.
Long Beach, California 90801

Dear Doctor Gaume:

We invite you to submit the paper you are presenting at the International Symposium on Toxicity and Physiology of Combustion Products, "Methods for Evaluation of the Cardiovascular-Respiratory Response of Rats in Large-scale Burn Tests," for publication in the journal *Fire Research*.

A complete description of the journal's objectives and policies is enclosed for your information.

Sincerely,

I. N. Einhorn
Editor, *Fire Research*
