Reply to Attn of: CB

TO: Daniel C. Brandenstein
FROM: William E. Thornton, M.D.
SUBJECT: Leave

In my previous assignment it was not possible to use my annual leave and meet schedules. Now there is inadequate time to use the leave before end of year loss will occur. I have just taken and will take leave at every practical opportunity, but it now appears that some will either have to be carried over or lost. This is a request to carry over that which cannot be used.
