Brigadier General Don Flickinger, USAF (MC)  
Headquarters Air Research and Development Command  
Andrews Air Force Base  
Washington 25, D. C.

Dear General Flickinger:

Enclosed are abstracts of two papers submitted from The Martin Company,  
Denver Division, Space Medicine Section.

I hope that these papers will be found acceptable for presentation at  
the 30th Annual Meeting of the Aero Medical Association, to be held at  
the Statler Hotel, Los Angeles, California next April 27-29.

Sincerely,

THE MARTIN COMPANY
