

VANCE |

Vance it was great seeing you
both again.

Your story of the EEL and Del Mar
target was unique and probably the
best of many I have heard. ~~The~~
A target, launcher, ar reel and one of
of my scoopers has just gone into the
Smithsonian and we are talking
about a book on the story all
weather interceptors during the early
Cold war years including the targets.

Would it be ~~It's~~ we are about to
start
about to collecting data for it.
Would it be possible to for you

2
to provide a bit more detail, Any
use of this will be attributed.

It was great seeing you both and
we look forward to the next time.

Love, Bill
