Dear Bill:

Enclosed are copies of all the talks given at the Symposium except the ones listed below. If you have not obtained them from other sources, please let me know and we will have copies run from our copies.

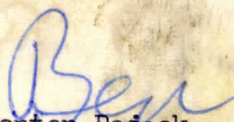

"A Magnetic Flowmeter for Recording Cardiac Output",  
by H. W. Shirer, R. B. Shackelford, and K. E. Jochim,  
University of Kansas.

"Gated Sinewave Electromagnetic Flowmeter", by A.  
Westersten, G. Herrold, E. Abbott, and N. S. Assali,  
University of California School of Medicine.

"An Ultrasonic Flowmeter", by J. F. Herrick, Joseph  
A. Anderson, Mayo Clinic and Mayo Foundation.

Also enclosed are the two copies of our paper which were inadvertently not enclosed in yesterday's letter.

Best regards.

  
Benton Bejack
